Hi everyone,

I hope that this finds you all well . This is just to keep you up to date with  
Watcher.

Please will you all check the latest script draft (no.3)? It's now up on  
[www.darkrose.co.nz](http://www.darkrose.co.nz) You click on the book icon under the title Watcher and

There have been some lines added and the odd scene changed.

Please will you check, also, the Shooting Schedule (see  
[www.darkrose.co.nz/wiki](http://www.darkrose.co.nz/wiki)) for dates and times. If you cannot attend on some of  
the dates can you let me know which they are asap, please? Also, keep an eye  
on the wiki, for the Costumes List. This is BYO, as your own clothes fit you,  
and we will just be making a few extra twists as the film is set in the not  
too distant future. Again, please will you email me if you have any probs with  
these clothes?

Finally, people, sorry to pester, but will the two, or three people who have  
not confirmed that they have seen the shooting Schedule and will be coming on  
their dates, please email to say they are indeed coming along...otherwise,  
I've got to think you aren't coming and audition some others. You'd be a bit  
sick, then, if you turned up on the day and another actor was there. (Also, I  
wish to avoid bodily harm!)

Thanks everyone. Looking forward to working with you all very much.

Best,

Rose G

Dear Ladies

I hope that everyone has had a nice Christmas, has had time recovered, and is feeling able to continue filming.

here are the Travel arrangements,

If you check the wiki, on the days from the 16th to the 22nd we have some different shooting locations. My family are up in Warkwoth for a while so the pickups will be a bit different.

So here is what I would like to do.

On the:

1- Thursday 16th of Jan we are in Shakespeare Park. Madi is not here for that day so my mother can drive all of us. We would like to pick you all up in the Orewa Library at 12:15pm (lunch) because our filming starts at 1:30, and The Park is all the way down Whangaparaoa peninsular. we will drop you all off at the library at about 7:00pm, where your mothers if you would be so kind, can pick you up?

2- Friday 17th Jan we are in Sullivan bay so can everybody get themselves up to the Puhoi Hotel, at 12:15, where my mother will pick you all up (except Madi, again, not here) in the evening i would like everyone to meet up at the Puhoi Hotel at about 7:00pm?

3- Tuesday 21 Jan we are shooting at CityDance in the CBD so can Everybody get themselves to the Orewa Library at 7:45 am. In the evening is it OK if we drop everyone off at the Orewa Library at 8:00 the lateness is because of rush hour traffic lasts from 5:00pm to 7:00pm. So at 5:00 we will go for a walk down the Win-yards and have our packed meals there until the traffic clears and then we do not die of heat in traffic jams. (So can people bring lunch and dinner as well as any snacks please?)

Please keep an eye out on the wiki... it still changes form time to time, check the wiki the morning you go out, In case I had to do any last minute changes

underneath is the normal travel arrangements we do for the show homes filming

Thanx and hope to hear from you soon that this is OK

Hi Guys

I hope that you are all keeping well, and are having a fun new year 🍷

How are the new years resolutions holding?

Looking through the footage, your acting is amazing 😊

I've been receiving emails about status updates,

Sorry about the lack of info, I haven't forgotten, promise,

I have been moving house, (3 times); nursing injured parents, and filming a 19 century Rom com simultaneously. With my famous level of organisation I haven't been able to get things properly sorted out.

Now we've settled down, and dad has stopped having seizures, I can explain things a little (sorry):

So far, we have had five editors, who each said that they would definitely do it; and then messed around for weeks; and then cancelled. That is the main reason why this has taken so long

BUT we finally got one guy called Nathan, who ahs edited half of Watcher, but unfortunately he has had to finish his studies abroad. and is leaving this week.

SO, as I've just wrapped my next shoot this weekend, I'm going to edit Watcher in my spare time, and I hope to be done in a few months. (Again this may take a while as I'm back at school). I', also seeing the composer, this Wednesday to see what he's qwritten so far.

So things are happening, just a bit slower than expected, but there again one can never schedule for everything ( I wish)

Thankyou for your amazing work and all of your patience, I'm going to try and keep you all in the loop more, from now on.

Thanks again

luv

Rose G
