Hi Jamie,

Just a quick line to say that we wrapped yesterday for the feature film Watcher. I am writing to all of the kind people who let me use their amazing places. Thanks for letting me use Jennian Home, in Ellerslie. I met the lady there, on the last day...Tim's wife? Although I said thank you to her, we were a bit hurried with all the packing and stuff. I am afraid that I don't have Tim's email, so will you kindly please send on my thanks, also to them?

I shall certainly put Jennian Homes at the very top of my location credits and am very grateful that you gave me this opportunity and rescued my film.

Thanks again, Jamie,

best,

Rose Goldthorp
